BAND STORY

"

From the lanes of Central Village, Jamaica, born Jeffery Brooks a.k.a Gbrains, started out in his early age in the music industry and hailed a diverse and gifted roots. Reggae, Dancehall and powerhouse artist, General Brains. a.k.a. G Brains, quickly became a favorite of a number of Jamaica's biggest sound systems. His big break came in 1985 when he toured the Unites States with Lees Unlimited, one of Jamaica..s leading dancehall sound system.; trading lyrical ability with the likes of Papa San, Peter Metro, Kelly Ranking, Survivalist, Isiah Mentor and many more. He has since rocked dancehalls everywhere and has earned a reputation of being a true Reggae veteran. His musical skills have influenced artistes such as Luciano and many more, in the early stages of his career. Getting his inspiration from his life and experiences in the streets, General Brains gives the message of awareness, hope, positive vibe and love in his music. Though his focus is upliftment of the youths, G Brains.. versatility is evident in his range of styles in his songs. He now re-emerges as a conscious singer and DJ with an expanded repertoire of culturally positive lyrics, hardcore rhythms and a vibe so potent it commands you to dance. With his independent record label, Reggae House R&J Records, G Brains is set to bring back life, love and energy back in dancehall.
